UNC Institute on Implementation Science

Leading Change: Skills and Competencies for Supporting Implementation Practice to Achieve Equitable Outcomes

December 3-4, 2020
Cost: $250

Meals are included
Registration limited to 135 people

UNC School of Social Work
Tate Turner Kuralt Building
325 Pittsboro Street,
Chapel Hill NC

PURPOSE

Share methods and tools for using implementation research in practice to improve outcomes for children and families and advance equity.

The Institute will:

- Provide skill-based learning sessions for social work and public health leaders and practitioners to build the skills and competencies needed for effective and equitable implementation practice
- Support ongoing engagement and learning between implementation researchers and implementation practitioners

Learning sessions will address competencies such as:

- Building relationships
- Cultivating Leaders
- Building capacity to use data
- Facilitation
- Co-design
- Tailoring support
